BEAR GRYLLS SURVIVAL ACADEMY: SURVIVAL IN AFRICA

CORNUCOPIA
EVENTS

Survival in Africa is an intensive 5 day survival skills course like none other. Set in one of our most challenging environments at Victoria Falls, this course culminates in a 36 hour expedition, putting skills such as tracking, skinning and crossing the ultimate in difficult terrain to the test.

The course is delivered by a range of handpicked instructors who have been trained by members of Bears Man v Wild/Born Survivor crew. Each instructor is an expert in their chosen field of African Bush craft, Wilderness Survival or Extreme Adventurous Activity.

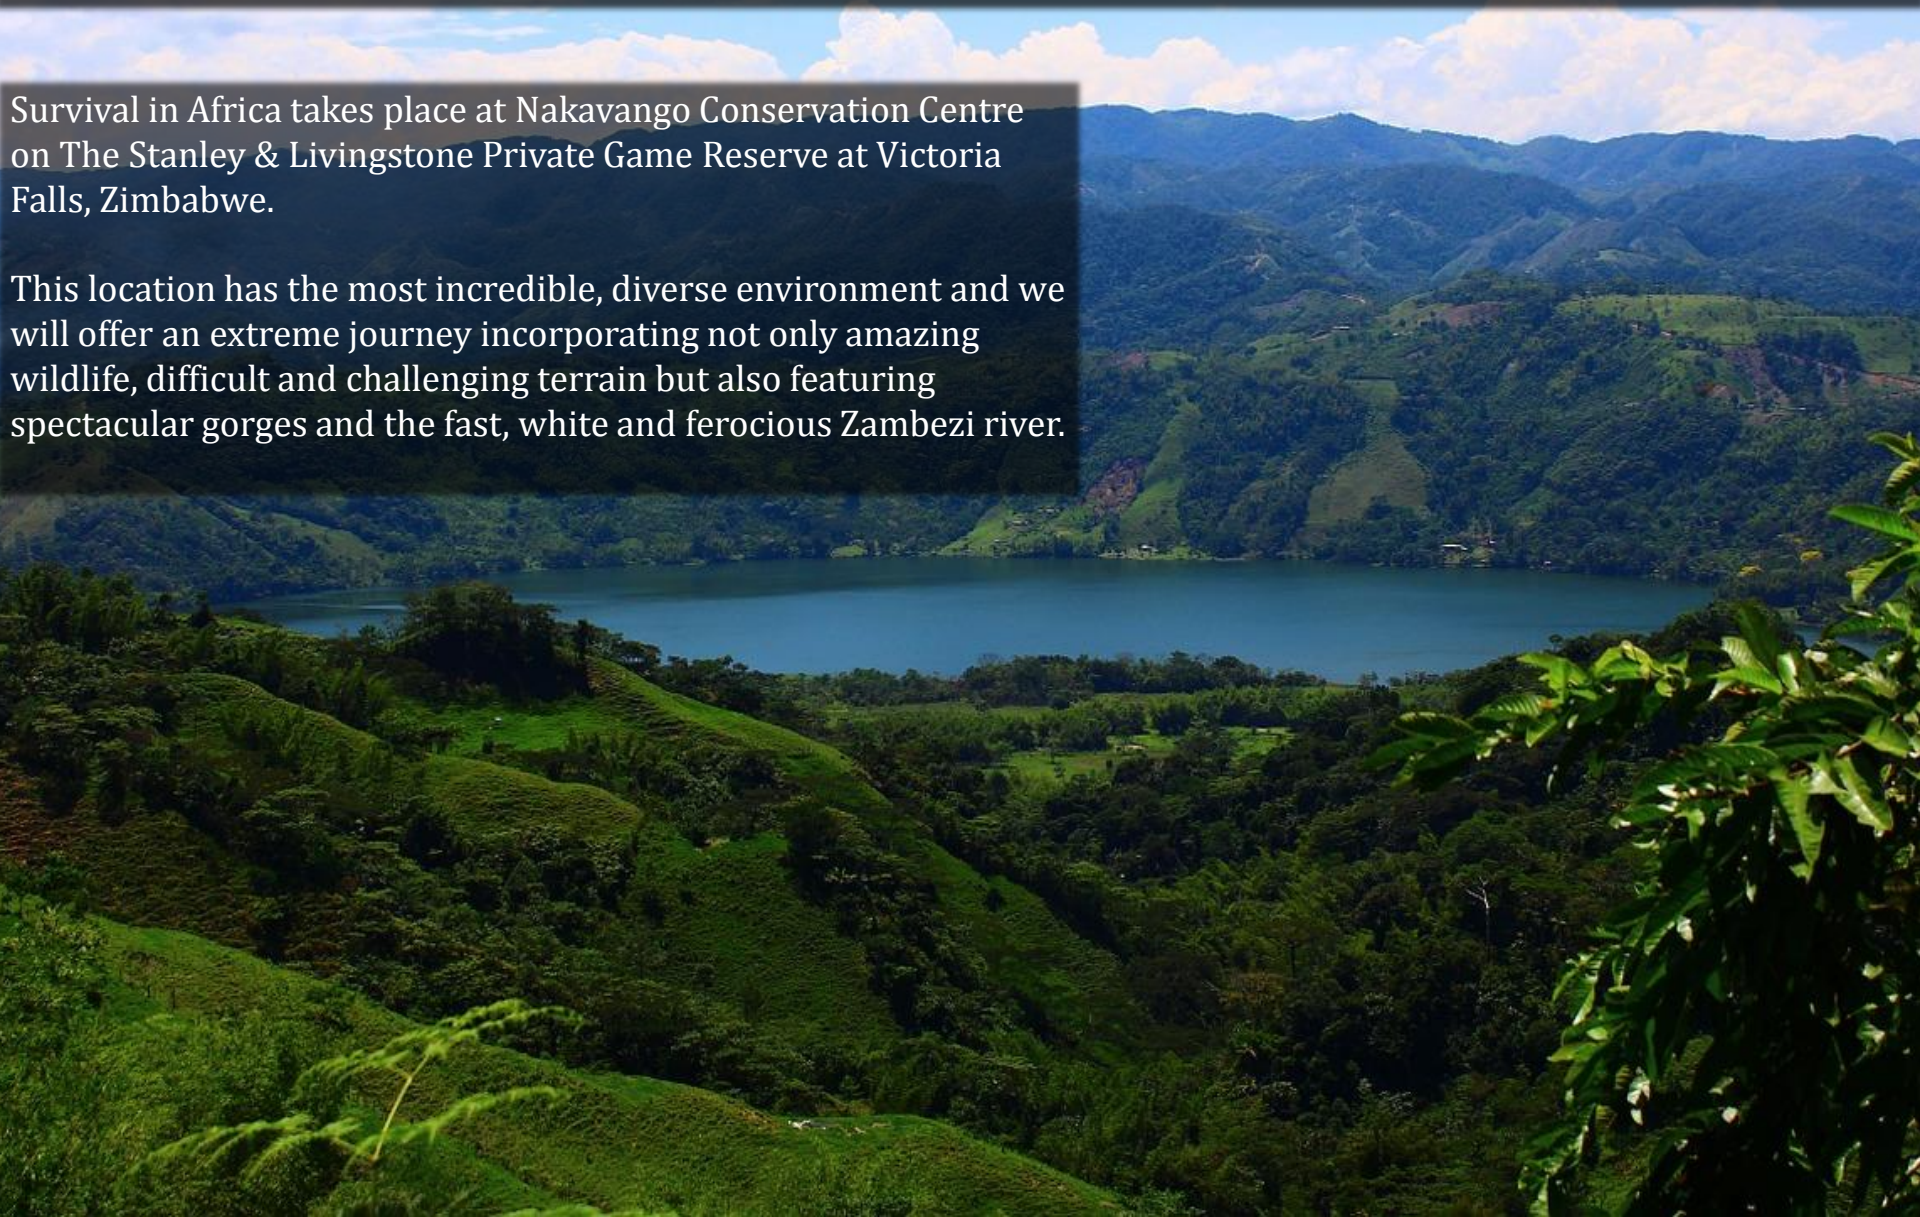

BEAR GRYLLS SURVIVAL ACADEMY: SURVIVAL IN AFRICA LOCATION

CORNUCOPIA
EVENTS

Survival in Africa takes place at Nakavango Conservation Centre on The Stanley & Livingstone Private Game Reserve at Victoria Falls, Zimbabwe.

This location has the most incredible, diverse environment and we will offer an extreme journey incorporating not only amazing wildlife, difficult and challenging terrain but also featuring spectacular gorges and the fast, white and ferocious Zambezi river.
